

Debate Competition

Debate competition is an excellent platform for students to showcase their critical thinking, public speaking, and analytical skills. DAV Kashipur had organized an Inter Section Debate Competition on August 1st, 2023 under the guidance of our honourable Principal sir, Dr Manish Goel, and social science teacher, Mr Balbinder Singh.

The participants were given the topic “Is Sustainable Development Necessary for the Development?”.

Team A presented their views for the motion of the topic and proved their statements by presenting theory and evidences. On behalf of Team A, Riya Dwivedi (X A) introduced the topic and started the discussion and from Team B, Atharv Tyagi (X B) presented his views against the motion.

All the participants presented their views with passion.

The judges had a tough time in deciding the winner and the tension in the hall was palpable. Finally, after much deliberation, the winner was announced and the audience erupted in applause.

Our honourable Principal sir, Dr Manish Goel appreciated the efforts of the concerned subject teacher and encouraged the students to move ahead.

Team A was declared as the winner and was honoured with certificate and gifts.
