

ORIENTATION PROGRAM

An orientation program for the batch of class 11 was organized by DAV Public School Kashipur in the school premises on 28-7-23. The purpose of the program was to acquaint the students with the faculty members along with the curriculum and pedagogy followed.

The program was attended by students and teachers of the school. It started with a welcome note followed by the instructions on discipline and importance of teacher student relationship by our Principal sir, Dr. Manish Goyal. The objective of the event was to sensitize the students in identifying their capabilities so that their energy could be channelized in the right direction. The students were also briefed about different subjects' scope and career opportunities. It was an initiative which was organized by our Principal sir for the very first time in the school that builds a sense of community among the incoming class and connect them with the faculty and other students. The event served as a beacon of light to many students as the school assured them of full cooperation and support for their future endeavors.
